Dear Mary,

Praise God from whom ALL blessings flow!

Well it looks like once again, you've taken a second to keep up with Brian Anderson-Payne Ministries and I want to thank you. It has been said that there is a difference in spending time and investing time. It's not wise to give your time away to things that don't increase you. I believe, right now, you're investing time in a worth while ministry. As you read through the information below, make plans to hang out with me and my team at one of the upcoming events.

I'm looking forward to seeing you soon! God bless.
